

City of Long Beach, California

ANNUAL REPORT

FOR ELECTRONIC REPORTING FORMS PLEASE CONTACT PROGRAM ADMINISTRATOR.

PROGRAM MANAGEMENT (2.0)

PROGRAM IMPLEMENTATION AND STRATEGY (2.2)

City-Wide Task Force

Description

(Describe the purpose of the committee, the frequency of meeting dates and a listing of the participants and the departments they represent.)

Assessment

(Describe the committee's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review the committee's accomplishments and, in a narrative format, evaluate the committee's progress. In addition, please define and explain the goals and strategies, determined by the committee, for the next fiscal year.)

Los Angeles County Level of Operation

Description

(Describe the purpose of the County-wide committees, the frequency of meeting dates and a listing of the participants and the areas they represent.)

Assessment

(Describe the committee's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review the committee's accomplishments and, in a narrative format, evaluate the committee's progress. In addition, please define and explain the goals and strategies, determined by the committee, for the next fiscal year.)

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

LEGAL AUTHORITY (2.3)

Description

(Describe the purpose of the Legal Authority Element.)

Assessment

(Describe any changes/additions (IE: ARs/Municipal Codes/Laws) made that will better enable the City of Long Beach to implement the LBSWMP. Attachments and samples are encouraged.)

Evaluation/Goals

(Evaluate current Legal Authority and define and explain the goals and strategies, determined by City Attorney and staff, for the next fiscal year.)

MANAGEMENT PROGRAM FOR PUBLIC AGENCY ACTIVITIES

TRASH AND GREEN WASTE (4.1)

Programs to control the discharge of pollutants and to conduct municipal maintenance activities to prevent pollutants from entering Long Beach receiving waters.

Litter Receptacles (4.11)

Description

(Describe this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Neighborhood Cleanup Assistance (4.1.2)

Description

Describe this component and a listing of the participants and the departments they represent.)

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Household Recycling (4.1.3)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Greenwaste Program (4.1.4)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Special Collection (4.1.5)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Used Oil Recycling (4.1.6)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Household Hazardous Waste Collection (4.1.8)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

CODE ENFORCEMENT (4.2)

The City Conducts several code enforcement activities, which indirectly control the discharge of pollutants from entering Long Beach receiving waters. The program consists of the following elements:

Property Maintenance (4.2.1)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Weed Abatement (4.2.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Abandoned/Inoperative Vehicle Abatement (4.2.3)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Intensified Code Enforcement (4.2.4)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Oil Code Enforcement (4.2.5)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

STREET MAINTENANCE (4.3)

The City conducts the following street maintenance activities, which effectively reduce the discharge of pollutants from entering the Long Beach receiving waters.

Street Sweeping (4.3.1)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Sidewalk and Alley Cleaning (4.3.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Maintenance Operations (4.3.3)

Description

Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

SEWAGE SYSTEMS (4.4)

The goal of this program is to reduce the impact of City's sewage system operations on storm water quality.

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

STORM DRAIN SYSTEMS OPERATIONS AND MAINTENANCE (4.5)

Description

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

MUNICIPAL FACILITIES MAINTENANCE (4.6)

Requirements for facility maintenance activities to incorporate and implement appropriate controls to reduce pollutant discharges from entering the storm drain systems.

Facilities include, but not limited to:

Community Development
Fire Department
Gas and Electric
Harbor Department
Health and Human Services
Library
Oil Properties
Parks, Recreation and Marine
Police Department
Public Works Department
Technology Services
Water Department

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

PUBLIC CONSTRUCTION ACTIVITIES (4.7)

This component addresses construction requirements for projects within the public street right of way to incorporate and implement appropriate controls to reduce pollutant discharges from entering the storm drain systems.

(This section not applicable to annual report)

LANDSCAPE MAINTENANCE (4.8)

The goal of the component for landscape and recreational facility's management is to make storm water quality a concern when conducting operation and maintenance activities.

Pesticide, Herbicide and Fertilizer Management (4.8.1)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Landscape Waste (4.8.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Native Vegetation (4.8.3)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Municipal Pool (4.8.4)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Recreational Water Bodies (4.8.5)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

MANAGEMENT PROGRAM FOR DEVELOPMENT PLANNING AND CONSTRUCTION

DEVELOPMENT PLANNING (5.1)

(This component of the program addresses planning procedures for development projects to incorporate and implement appropriate controls to reduce pollutant discharges from entering the storm drains.)

Description

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

DEVELOPMENT CONSTRUCTION (5.2)

(This component of the program addresses construction requirements for development projects to incorporate and implement appropriate controls to reduce pollutant discharges from entering the storm drain systems.)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Site Inspection (5.2.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

and explain the goals and strategies for the next fiscal year.)

Training (5.2.4)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

MANAGEMENT PROGRAM FOR ILLICIT CONNECTION AND ILLICIT DISCHARGES (6.0)

(This program addresses procedures to detect and remove illicit discharges and improper disposal into the storm drain system. Also, included in this program is a process to identify and eliminate illicit connections.

ILLICIT DISCHARGE ELIMINATION (6.1)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Spill Investigation, Containment and Cleanup (6.1.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Prioritization for Investigation of Illicit Disposal/Discharge (6.1.3)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Education and Training (6.1.4)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Enforcement Procedures (6.1.5)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Record Keeping (6.1.6)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Spill and Illicit Discharge Prevention (6.1.7)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

ILLICIT CONNECTION ELIMINATION (6.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Prioritization (6.2.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Illicit Connection Detection and Investigation (6.2.3)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

PUBLIC REPORTING (6.3)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

EDUCATION AND PUBLIC INFORMATION (7.0)

GENERAL PUBLIC/RESIDENTS (7.1)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

SCHOOL CHILDREN (7.2)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

LOCAL BUSINESSES (7.3)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

MUNICIPAL EMPLOYEES (7.4)

Description

(Describe the this component and a listing of the participants and the departments they represent.)

Assessment

(Describe the program's achievements in a narrative format. Please highlight awards, recognition, significant accomplishments and supporting statistics. Attachments and samples are encouraged.)

Evaluation/Goals

(Review program accomplishments and, in a narrative format, evaluate its progress. In addition, please define and explain the goals and strategies for the next fiscal year.)

Supplemental Information

(Please use this space to add any additional information that will further exemplify the City's commitment to its SWMP. Attachments are encouraged!)

STORM WATER MANAGEMENT FISCAL REPORT REQUIREMENTS:

G. Storm Water Management Program Budget

1. Fiscal Resources

- a. The Permittee shall prepare annually a storm water budget update on resources dedicated to the storm water program. This budget report shall include an estimated baseline budget (based on 1989 data if available), and annual updates identifying the budget expenditures for

Long Beach Storm Water Management Program (LBSWMP) - Annual Report

the storm water management program. At a minimum the specific categories to be detailed are noted below:

- i. Program management
- ii. Illicit connections/illicit discharge
- iii. Development planning/development construction
- iv. Construction inspection activities
- v. Public Agency Activities
 - Operations and Maintenance
 - Municipal Street Sweeping
 - Fleet and Public Agency Facilities
 - Landscape and Recreational Facilities
- vi. Capital Costs
- vii. Public Information and Participation
- viii. Monitoring Program
- ix. Other

Storm Water Monitoring Report

The Permittee shall submit a Storm Water Monitoring Report on July 15, 2000 and annually on July 15th, thereafter. The report shall include:

- a. Status of implementation of the monitoring program;
- b. Results of the monitoring program.
- c. Interpretation of the results include analyses of trends, land-use contributions, and BMP effectiveness.
